ABOUT ME

As a potential researcher, I have a great desire to commit myself to a profession that requires extensive research, study, analysis, and innovation in order to serve humanity as best as possible.

EXPERIENCE

RTPCR Program | Advanced Bioinformatics, Computational Biology and Data Science Laboratory

📅 From 15 December, 2021 to 30 December, 2021 Panthapath, Dhaka, Bangladesh

- 4 days long hands on training.
- Manage online activities of the organization.

EDUCATION

B.Sc. in Biochemistry & Molecular Biology, Faculty of Life Science | Bangabandhu Sheikh Mujibur Rahman Science and Technology University

📅 2017-2018 session

📍 Gopalganj, Bangladesh

- CGPA: 3.00 (Accumulation of 6 semester)

HSC | Rangpur Govt. College

📅 2014 - 2016

📍 Rangpur, Bangladesh

- GPA: 4.25

SSC | Lions Schools & College

📅 2014

📍 Sayedpur, Nilphamari, Bangladesh

- GPA: 5.00
