Class exam Practice

January 1, 2021

The "EXAM" class used to create and maintain many exam question paper sheet. As:

1. Exam Paper

2. Paper Part

3. Paper Subpart

4. Include point value at each question

5. Print grading table

6. Include header(left, center, right) and footer(left, center, right).

Left a blank space for student for instructor's name: Instructor's name: _____

Now, talking about question environment: (Similar/Close to enumeration environment) I'm gonna ask you some questions...

1. (1 point) What is your name?

2. (2 points) Where you from?

3. (3 points) Where your home district?

4. (4 points) What the name of your institute?
